PAYMENT OF TUITION AND FEES

Tuition and fees are due and payable in full by the given deadline each semester unless utilizing the monthly payment plan. Any account balance not paid by the given deadline will be considered past due and will be placed on hold. Students with an account on hold will not be able to register for any upcoming semesters, view grades online, receive transcripts and may result in possible withdrawal from classes. Past due accounts will also be subject to a late payment penalty.

WITHDRAWAL FROM UNIVERSITY

A student who desires to withdraw from school will need to contact the Business office for the proper withdrawal procedure. It is necessary for the correct procedure to be followed, as dropping without official withdrawal earns a grade of F in each course.

Any claims for refunds of tuition will be based on the date on which the student files a request for honorable dismissal with the Bursar.

Financial aid recipients who withdraw or drop a course may not receive a refund as a result of the Institutional tuition adjustment. Refunds will be credited to the respective programs (Perkins, FSEOG, SCHOLARSHIP, Stafford Loans, and PELL) before any refund is made to the individual.

For Withdrawal This Semester	**Refund Credit**
During the first week	100%
During the 2nd week	75%

ON CAMPUS LIVING EXPENSE REFUNDS:

On campus living expense will be refunded 25% the first week of classes. The refund percentage will decrease by 2% each week thereafter.

A student withdrawing from Mississippi College will surrender their ID card to the Office of Residence Life at the time the withdrawal papers are processed.

All special and course fees are not refundable upon withdrawal.

Refund/Repayment Policy Concerning Financial Aid:

Use of Moodle as an Online Teaching Method

One method of teaching uses an online system such as Moodle. Such instruction is internet-based and occurs between instructor and learner. At Mississippi College, such instruction can be one of two formats:

Fully Online – defined as courses that do not meet face-to-face and never require on campus visits.

Hybrid – defined as courses that combine significant elements of face-to-face classroom instruction with some portions online.

For your information, courses utilizing these teaching methods will be identified on the Banner Web class schedule as "Fully Online" or "Online with Classroom Meetings".

In addition, traditional courses that meet 100% of the time in a classroom may utilize Moodle as a supplement to post course materials, facilitate discussions and extend office hours. The course syllabus will identify such use.

Mississippi College is committed to enhancing all instruction through the use of technology and encourages use of Moodle, called MCMoodle for MC purposes.
