4. Web pages: Should include at least (1) Contact Your Instructor; (2) Textbook; (3) Course Grade Scale and Evaluation; (4) due dates

In Each Week's Block

- 1. Create a title and description of that week's topic; this can include objectives.
- 2. Upload any lecture notes as PPTs, PDFs, or web pages.
- 3. Create at least 1 interactive module. This can be a forum where you pose a question to students, Turnitin bank, quiz or other interactive activities that students access and complete outside of class time.
