### The Gospel at Work

One of our main areas of focus with our leaders is discipleship. Each of our leaders take that very seriously and intentionally pour into teammates. A senior soccer player has been meeting with a freshman all year and two weeks ago, she had the privilege of leading this young lady to Christ! At the beginning of the year, the girl would've said she wasn't sure of her salvation. Now she knows for sure she has salvation through Christ.

The past two FCA huddles have been centered around one main thing—create an atmosphere for students to enjoy hanging out together. One week, we had a night titled, "Duck Tape Wars" followed by a message on the Gospel presented by one of our leaders. Last week, we had food and games while we watched the National NCAA Basketball Championship game. Assistant MC Basketball Coach Josh Brooks spoke at halftime to those that came. About 85 came and went that night and we are hoping they will come back and finish the semester with us!

### **Coaches Using Their Influence**

Justin came into our house last Tuesday night grinning from ear to ear. He looked at me and said, "We had some big wins today." He had been at baseball practice but had missed the beginning of practice. After the team finished, the head coach came and told him that he had spoke to the team at the beginning of practice about the Gospel and the cross. He told Justin, "God has put this on my heart for weeks and I finally said something. Six guys made professions of faith and others indicated they needed prayer." The coach and Justin were so excited to see the impact that had been made. On Thursday, the head football coach shared the Gospel with his team and four players indicated they made a profession of faith. Praise God for the power of His Word!
