Merry Christmas! We hope you are looking forward to a wonderful Christmas break with your family. We are heading to Texas first to visit my family then heading back to Mississippi to visit Justin's family. The break comes at the perfect time for us. ***Our vision for FCA is big and we need this break to pray and lay these plans before the Lord!***

This fall, everyone on our leadership team took a spiritual gifts test. It was exciting to hear all their gifts when they shared them! It was at that point that we realized we need to structure leadership in a different way. ***Part of our big plans for the spring include changing the framework of how we have always done leadership.*** The plan is to divide the teams into smaller teams. This will allow the leaders to work effectively within their area of gifting. Our hope is that these smaller groups bring enthusiasm to what we already do and vision to grow to reach out in more areas. The groups will give us more time for the leaders to individually share about their growth in Christ and have more accountability in their walk with God.

The FCA leadership team wrapped up the semester with our traditional Chinese gift exchange and tacky Christmas outfit party. As you can see, everyone gets into it and we have a blast! ***We love blessing them with some food and fun to reward them for a job well done!***

This month started a little different as we headed a few miles down the road to Hinds Community College for a support raising boot camp. The two day seminar taught us about how to raise personal funds, but it also taught us how to treat and view our supporters. ***You are a HUGE part of what we do, and we plan to do a better job communicating that with you.*** From this month forward, we will do many things very different. We look forward to building stronger relationships with all of you who invest in this ministry at MC!

God has great things planned for next semester. We ask that you lift us up in your prayers as we continue to share the Good News of Christ with athletes and coaches. Please pray Ephesians 6:19-20 over both of us as we prepare for the spring semester. It reads:

"Pray also for me, that whenever I speak, words may be given me so that I will fearlessly make known the mystery of the gospel, for which I am an ambassador in chains. Pray that I may declare it fearlessly, as I should."

May God bless you and make His face shine upon you,

Our leadership team is the lifeblood of this ministry and we are always having a blast with them!
