We are so excited about this upcoming year! What a whirlwind of a year it has been, but how faithful and good God has been to us! We were not here to enjoy the beginning of the school year last year, so we are like incoming freshmen this fall! Football began on the 10th, and volleyball and both soccer teams report on Monday (15). A new school year brings with it excitement and anticipation. **For FCA, the new school year is an opportunity for God to work in and through athletes and coaches in a great way, and it is for that reason that we are excited and anticipate the work of our great God.**

Justin and Bethany Pigott

Our vision for this year starts with the coaches. We want to see them use their influence for Christ. We have built good relationships with them and plan to be more intentional about meeting their needs. **We also desire to see our leaders become equipped to disciple and walk in godly wisdom.** FCA will have lifegroups for both men's and women's teams and we are expecting God to use those groups in a powerful way. These groups are set up to create discipleship opportunities in many forms. We hope to walk in the cafeteria at the end of the semester and see multiple athletes with teammates sharing life and God's Word with one another. **Another part of our vision is to see unity on campus.** FCA has planned events throughout the semester that will encourage athletes and students alike to come together for fellowship. We believe this will promote unity on campus and create community. **Lastly, we are expanding beyond MC and have opportunities to serve in Vicksburg and in the Clinton schools.** This will give FCA momentum and help us connect with people in the community. We want as many people involved as possible because God is doing amazing things through FCA!

The ministry could not have more momentum! **We absolutely need your help to continue this work.** We are currently in need of funds and want you to have an opportunity to invest in what God is doing at MC. We are launching a new way that you can contribute to FCA at MC. There are now options to sponsor certain ministry areas/events. **We hope that by sponsoring a specific area/event, you will feel ownership knowing exactly what you contributed to.** Below are charts that show our goals for sponsorships. Throughout the month, as funds come in, I will be keeping track of where we are in each area of ministry and report it along with the newsletter. This will be an easy way for you to see where we need immediate assistance. Please take some time to look at the sponsorship package and decide where you would like to invest. **The beginning of our fiscal year starts September 1, so we are asking that you consider sending your gift before then.**

May the Lord bless you and keep you and make his face shine upon you and be gracious to you,
