

For students who are Nursing majors:

The MC School of Nursing suggests that Nursing majors take the following slate of classes in their first semester.

The following schedule represents what a “**TYPICAL**” Freshman Nursing major might take.

ENG	101	English Composition	3 hours
CHE	124	Integrated Chem. Princ. (OR CHE 141: Gen. Chem. I)	4 hours
BIB	110	Old Testament Survey (OR BIB 120: New Testament)	3 hours
MAT	101	College Algebra (OR appropriate higher level math)	3 hour
PSY	201	Intro to Psychology	<u>3 hours</u>
			16 hours

You may have AP credit, dual enrollment, or transfer hours that would change this “typical” schedule. You may be on a varsity sports team or in the choir and may need to adjust this schedule. The truth is that no one is typical, but this schedule is a good place to start. When you meet with your advisor to register, be sure to tell him/her about your specific set of circumstances so you end up with YOUR schedule and not just a typical schedule.

Chapel: Freshmen are required to take a total of 4 semesters of chapel. Freshmen are automatically enrolled in Freshman Chapel/Blue & Gold 101 for their first Fall semester.
