Foreign Language Requirement: All M.A. Option B students must be proficient in at least one foreign language. Most students will satisfy this requirement by completing the fourth level of an undergraduate foreign language sequence, but alternative methods are spelled out in the Graduate Bulletin.

Written and Oral Examination: In his or her last semester of enrollment, candidates for the M.A. in English must take written and oral comprehensive examinations based upon both course work and a departmental reading list. If judged unsatisfactory, all or part of the written and/or oral examination may be retaken once in the following semester or term.
