Students with provisional and regular admission status can do the following: take EDU 6506 and EDU 6554.

Students with regular admission will be recommended to receive a three-year, non-renewable license once they have successfully completed EDU 6506 and EDU 6554.

Only students having regular admission can take the internship classes (EDU 6537 and EDU 6538). These internship classes can be taken when the student secures a job teaching in a recognized school district. Students having successfully completed these twelve hours, which includes one full year of teaching, will be recommended for the standard alternative route five-year license.

Students with regular admission can take any of the remaining courses in the sequence of their choice.

Students with provisional admission are limited to 12 hours.
