Senate Bill 2016-17-01
Campus Improvements Committee
Senator Mary Elizabeth Stringer

Whereas, many students use the Piazza as a place to study and work on schoolwork,

Whereas, many students use laptop computers when studying,

Whereas, student clubs and organizations use the Piazza as a place of gathering and event space,

Whereas, many students may need to plug in their laptop computers, cellular devices, or tablets to a power outlet for charging while studying,

Whereas, when student clubs and organizations use the Piazza for an event, there are no power outlets in the patio piazza area for speakers, lights, etc. and you have to plug in multiple extension cords,

Be it resolved that power outlets be installed in the Piazza so students and organizations can have power easily accessible on the Piazza for events or studying.
