Part 3:

On a separate sheet of paper, please answer the following questions. Please type your answers using no more than two pages total. Attach them to the application, making certain to include your name.

1. Please give a brief statement of your personal relationship with Jesus Christ. How might that relationship play a role in your position as a member of ASL?

2. Describe previous experiences that you believe have prepared you for, or have given you the desire for, a servant leadership role.

3. Name two of your strengths and two of your weaknesses. How might these affect your work as a student leader?

4. Have you ever been found responsible for a violation of Mississippi College Policy? If yes, please explain. (If your response is yes, it does not automatically disqualify you.)

5. Please list any activities, practices, or other jobs that you will be involved in next year and/or during the summer, as well as the number of hours that each will take up. How will you balance those with being an active ASL member?
Part 4: Self Evaluation

The following statements represent tasks that ASL members are often called upon to do. Please rate yourself by marking each statement, placing a “10” by the statement that you feel is a great strength and you are most confident to tackle. Place a “9” by the statement that is your next strongest, etc. Place a “1” by the statement you feel is your weakest area, where you have the least confidence. You must rank all the statements in order, do not give yourself all 10’s or all 1’s. Please be prepared to explain these rankings in your interview.
