HOW DO I PARTICIPATE IN WELCOME WEEK?

As a new student, Welcome Week is already included in your tuition and fees. Since we have special health and safety guidelines to follow this year, we are asking that all students that plan to participate in Welcome Week (whether one event or all of them) to register at mc.edu/welcomeweek. This will also help us make sure we have your Welcome Week packet ready to go at Welcome Week Central when you pick it up. There will also be special events that we ask you to register for during the week so we can keep track of numbers and attendance.

WHAT IS WELCOME WEEK CENTRAL?

Welcome Week Central is located on the Back Patio of BCR (the caf building). You can pick up your Welcome Week packet here, as well as grab a cold drink, snack or ask questions about Welcome Week. Members of the student Welcome team will be available to help you with anything you've got questions about. Welcome Week Central will be open Saturday from 7 am to 10 pm, Sunday from 7 am to 6 pm and Monday-Friday, 9 am to 5 pm.

CAN I PARTICIPATE AS A COMMUTER?

Yes you can! Just pick up your Welcome Week Packet at Welcome Week Central during one of the times listed above. PLUS, don't forget to register for Welcome Week at mc.edu/welcomeweek.

WHAT ABOUT HEALTH & SAFETY DUE TO COVID-19?

Due to COVID-19, we will be taking many precautions to ensure a safe Welcome experience. Therefore, we will require masks and social distancing at all in-person events. All in-person events will be held in small groups to make sure we are following government guidelines. After you've registered, you will be assigned to a small group, as well as assigned times to attend certain events so that we keep our gatherings small. We also recommend you wash and/or sanitize your hands often. Hand sanitizer will be available at all events.

FURTHER QUESTIONS?

If you have any questions at all about Welcome Week, email Jonathan Nutt, Director of Student Engagement at nutt@mc.edu. ALSO, once you've registered for Welcome Week, make sure you check your campus email OFTEN, as well as follow [@welcome2mc](https://www.instagram.com/welcome2mc) on Instagram.
