

**For students who are HISTORY majors:**

The Department of History suggests that History majors take the following classes in their first semester.

The following schedule represents what a “**TYPICAL**” History major might take.

You may have AP credit, dual enrollment, or transfer hours that would change this “typical” schedule. You may be on a varsity sports team or in the choir and may need to adjust this schedule. The truth is that no one is typical, but this schedule is a good place to start. When you meet with your advisor to register, be sure to tell him/her about your specific set of circumstances so you end up with YOUR schedule and not just a typical schedule.

**Chapel:** Freshmen are required to take a total of 4 semesters of chapel. Freshmen are automatically enrolled in Freshman Chapel/Blue & Gold 101 for their first Fall semester.
